SUPPLEMENTARY REPORT

DATE:  
12/24/2014

INC. #:  
14-032783

On the above date I was dispatched to the rear of 1227 Canfield Road in reference to "wanting to see an officer."

On my arrival I spoke with Robert Robinson and Ronald Dunkle. They stated that a tree had fallen over during the wind storm this evening and it fell across three vehicles and their shed in the back driveway. They stated the last time something like this happened they needed a police report because the insurance company was not wanting to pay for it. They stated the tree in question was on city property so they wanted the police report in case the insurance companies needed it.

The tree fell across the shed which pretty much destroyed it and it was lying across the three cars in question; a Chevy Cavalier, a Honda Civic and a Ford Mustang, all with roof, hood and glass damage. All three vehicles had a substantial amount of damage to them from the tree that was lying across them.

I advised them that I would do a report to be on file that they could have for their insurance company; other than that, there was nothing I could really do about this situation.
