

ZANESVILLE CITY COUNCIL MEETING – MONDAY, SEPTEMBER 12, 2016

The Council of the City of Zanesville met in regular session at 7:00 p.m. on Monday, September 12, 2016 in the City Council Chambers, 401 Market Street, Zanesville, Ohio.

Mr. Vincent led those present in the Lord's Prayer and the Pledge of Allegiance to the Flag.

The following members of Council answered Roll Call: Mr. Wolfe, Mr. Foreman, Mr. Roberts, Mr. Baker, Mrs. Norman, Miss Bradshaw, Ms. Gildow, Mrs. Osborn, and Mr. Vincent. Mrs. Gentry was absent.

Mr. Roberts made a motion to excuse Mrs. Gentry. Mr. Baker seconded the motion. A voice vote was taken with all in favor. None were opposed. Motion carried.

APPROVAL OF MINUTES

Ms. Gildow moved to amend the minutes on page 9, I believe there is a typo about 80% of the way down where it says it does not make since that way. "Since" should be spelled "sense". Mr. Baker seconded the amendment. A voice vote was taken with all present in favor. None were opposed. Motion carries.

Ms. Gildow moved to accept the minutes as amended, seconded by Mrs. Osborn.

A voice vote was taken with all present in favor. None were opposed. Motion carries. Minutes stand approved as amended.

COMMUNICATIONS, REPORTS, AND RESOLUTIONS

Resolution No. 16-83 – Introduced by Council – A Resolution declaring “Beggar’s Night”/”Trick or Treat” for the City of Zanesville.

Mrs. Osborn moved for third reading and passage, seconded by Mr. Foreman.

Roll call vote for passage.

Motion carries. Resolution is passed.

PROPOSED ORDINANCES

Ordinance No. 16-93 – Introduced by Council – An Ordinance authorizing and directing appropriation of properties necessary for the purpose of making, constructing, and utilizing a water tower and necessary lines, constituting a “Public Use” under R.C. §163.01(H)(2) and further authorized by R.C. §719.01(M).

Mr. Roberts moved for first reading, seconded by Mr. Foreman.

Mr. Roberts: This was discussed at the Public Service Committee meeting held earlier tonight and it was recommended for Council to approve this.

Mr. Vincent: Thank you, Mr. Roberts. Is there any further discussion? Hearing none, we are at first reading so all in favor of first reading signify by saying aye. All present were in favor. None were opposed.

Motion carries.

Ordinance No. 16-94 – Introduced by Council – An Ordinance authorizing the Public Service Director to enter into a Construction & Maintenance Agreement with J & J Real Estate, LTD., to do work and construction of improvements within an undeveloped City of Zanesville right-of-way, and declaring an emergency.

Mr. Roberts moved to waive the readings and it was seconded by Ms. Gildow.

Mr. Roberts: This was also discussed at the Public Service Committee meeting and it was suggested that Council pass this as an emergency due to the land owner wants to get these improvements in place prior to cold weather.

Roll call vote on waiving of the readings.

Motion carries. Ordinance is passed.

Ordinance No. 16-95 – Introduced by Council – An Ordinance authorizing the proper city official to apply for grant funding from the FAA for FY 2017 projects and accept funding, if awarded.

Mr. Foreman moved for first reading, seconded by Mr. Baker.

Mr. Roberts: This was also discussed at the Public Service Committee hearing and it was decided that Council should approve.

Mr. Vincent: Hearing no further discussion, all in favor of first reading signify by saying aye. All present were in favor. None were opposed. Mrs. Gentry was absent.

Motion carries.

Ordinance No. 16-96 – Introduced by Council – An Ordinance authorizing the proper city official to provide amenities for a series of street investment committee meetings for the purpose of review and making recommendation for an investment strategy for the City's Transportation System and declaring an emergency.

Ms. Gildow moved to waive the readings and it was seconded by Mr. Baker.

Roll call vote for waiving of the readings.

Motion carries. Ordinance is passed.

Ordinance No. 16-97 – Introduced by Council – An Ordinance allowing a moral claim.

Ms. Gildow moved for first reading, seconded by Miss Bradshaw.

Mr. Roberts: This was also discussed during the Public Service Committee meeting. There were some requests for additional receipts and some other questions, so more information will be presented to Council at a later date.

Mr. Vincent: Thank you, Mr. Roberts. Is there anything else from Council? Okay, we are at first reading so all in favor of first reading signify by saying aye. All present were in favor except Mr. Foreman and he abstained. None were opposed. Mrs. Gentry was absent.

Motion carries.

Ordinance No. 16-98 – Introduced by Council – An Ordinance approving an agreement with Store It, LLC/ABB Leasing/Mattingly Cold Storage/45 Degree Logistics providing

for a project and tax exemptions pursuant to the Ohio Enterprise Zone Program, and making determinations in connection therewith, and declaring an emergency.

Ms. Gildow moved to waive the readings and it was seconded by Mr. Roberts.

Motion carries.

Mrs. Norman moved for passage, seconded by Miss Bradshaw.

Ms. Gildow: Matt Abbott who is the Port Authority Director is here to speak on this Ordinance in the event that we have questions.

Mr. Vincent: We have Matt Abbott from the Port Authority. I did ask him to come as a special guest tonight so you are welcome to come to the podium and speak. There is no time limit on this because you are providing information to Council as far as making decisions on important matters.

Mr. Matt Abbott: Thank you for the opportunity. I would just like to touch base with Council a little bit to discuss what is actually going on. Most of us know this company as Mattingly Foods. There are four different companies that are located at 302 West State Street. A family owned and operated company since 1947. Currently they have a 165,000 square foot facility and 137,000 of that is cold storage on their 18 acre parcel. They employ 57 employees and they exceed \$2,000,000 in annual payroll at their location. In 2010 the Mattingly Company went from a \$350,000,000 company to a \$2,000,000 company, overnight. Their current top customers are Sugardale-Fresh Mark, Harry & David, and Island Oasis. So that detriment to their business was due to a loss in a customer. So with this expansion, this is what they are trying to do, is to grow and build upon some of those three top customers that I named and they have contracts in place.

We began discussing this in June and we have had a host of meetings with the administration from the City. I have learned a lot personally about fire code and fire suppression in a cold storage facility. I guess common sense would tell you a lot of that, but there is a lot more to it than just the common sense that I picked up. Construction would be of a new 46,000 square foot cold storage facility. An \$8 million dollar total investment; \$7 million of that \$8 million is to be in real property. They will create five new jobs and add in \$245,000 annually for their payroll; so over the abatements lifespan \$2.45 million dollars. The income tax generation for the City would be \$46,550 over the ten year period as well. Retaining fifteen jobs with \$250,000 additional payroll for \$2.5 million over the life and that is adding another \$47,500. Also it is estimated that 200 to 300 construction jobs will take place and they are hoping to start construction at the end of this month. So we are very excited about, not only the investment in the community,

but we are excited about the investment and really the gateway to the western portion of the City of Zanesville. It is very exciting to see some development taking place in that area. It is also nice to see a job creator that is coming in and hopefully with these contracts they will sustain what they are doing and build upon those contracts. What I would propose is a 75% real property tax abatement for a ten year period. So looking back I think they have the flexibility as no two situations approached with tax abatements are the same. We do look at the overall investment, the jobs created, and the jobs retained. We look at where they want to invest. Is this a place we want to have additional investment in our community and how we assist them? So we are very excited for their investment and look forward to working with them in the future. Thank you, Mr. President, for the opportunity to speak tonight.

Mr. Vincent: Thank you for coming Mr. Abbott. Are there any questions from Council? Any comments? I get excited as a company that has such a good history of being a strong positive company that had some setbacks and is working now to make a comeback. They plan to create additional jobs in our community and it is nice they are not competing with anyone else that I am aware of as far as in the community for these jobs. They are very unique and I hope they are able to come back as strong as they once were. We will all benefit from that and thank you for the work you do, sir.

Mr. Abbott: Thank you.

Roll call vote for passage.

Motion carries. Ordinance is passed.

Ordinance No. 16-99 – Introduced by Council – An Ordinance authorizing the proper city official to enter into a contract for the purchase of vehicles for the Police Division by state purchase agreement; and declaring an emergency.

Mr. Roberts moved to waive the readings and it was seconded by Mr. Foreman.

Mr. Roberts: This came before the Public Safety Committee meeting and it was suggested for Council to move this as an emergency due to time constraints on purchase agreements.

Mr. Vincent: September 30 is the cut off day. It was moved up from past years.

Roll call vote on waiving of the readings.

Motion carries. Ordinance is passed.

Mr. Vincent: With that, Mr. Buck or the Mayor, I think just to share some with the public. I know we are working as far as replacing the vehicles and keeping the fleet modern. I have talked with some officers and they really like these vehicles. They give them more room and safe vehicles with ballistic doors and lots of advantages with the all-wheel drive to get them around in the winter weather. So is there anything you would like to add?

Mr. Buck: Probably the biggest thing is the all-wheel drive. In the winter, we had a pretty tough winter if everybody remembers and we got around to every site we needed to with no problems whatsoever. The Crown Vics are not so much so. They were great vehicles while they lasted.

Mr. Vincent: I think better gas mileage and also they are pretty reliable compared to the Chargers we had.

Mr. Buck: Right.

Mayor Tilton: And with the purchase of these vehicles it will be the end of the Crown Vics. We will have the last three off the patrol.

Mr. Vincent: So we are on track for replacing vehicles as desired. Thank you, gentlemen.

ORDINANCES FOR ACTION

Ordinance No. 16-90 – Introduced by Council – An Ordinance by the City of Zanesville City Council imposing a moratorium of one year on the issuance and processing of any permits allowing retail dispensaries, cultivators, or processors of medical marijuana within the City of Zanesville.

Mr. Baker moved for second reading, seconded by Miss Bradshaw.

All present were in favor. None were opposed.

Motion carries. Mrs. Gentry was absent.

Ordinance No. 16-91 – Introduced by Council – An Ordinance authorizing the use of Ohiocheckbook.com in partnership with the Ohio Treasurer to advance open and transparent government.

Mr. Roberts moved for second reading, seconded by Mr. Foreman.

Mrs. Osborn: I have been notified by the Ohio Treasurer's office that following first reading of this legislation the City's Treasurer communicated with the state office and indicated that the administration had plans to move forward with the program. After having worked on this for eight and a half months myself and Councilman Foreman recently helping I would like to recognize the efforts of the administration and say I hope the work continues to implement this program as we proceed with passing this legislation thereby increasing the transparency of the good work done by the City and its officials.

Mr. Vincent: Is there anything else from Council? We are at second reading so all in favor of second reading signify by saying aye. All were in favor. None were opposed.

Motion carries.

Ordinance No. 16-74 – Introduced by Council – An Ordinance authorizing the proper city official to advertise for bids for management services for the Riverside Park Softball and Soccer complexes.

Ms. Gildow: I would like to make a motion that we postpone this Ordinance.

Mr. Vincent: Is this the Ordinance you want?

Ms. Gildow: I am sorry, no. I am just too anxious. I would like to withdraw my motion.

Mr. Roberts: I would like to amend this legislation to exclude in the title, "and soccer complexes".

Mr. Vincent: Where is that, sir?

Mr. Roberts: In the title, this contract does not have anything to do with the soccer complexes at Riverside as they are managed by R.O.S.A. This is only for the softball.

Mr. Vincent: Mr. Roberts, your proposed amendment is in the title to take out, "and soccer complexes".

Mr. Roberts: Correct.

Mr. Vincent: Also in the first whereas remove, "and soccer fields".

Mr. Roberts: Yes. And the fourth whereas remove, “and soccer complexes” and in Section One.

Mr. Vincent: Is there anything we are missing?

Mr. Roberts: So the title, the first whereas, the fourth whereas, and Section One.

Mr. Vincent: So the motion is to remove the wording related to soccer complexes and soccer fields. So in the title it is removing, “and soccer complexes”; under the first whereas it is removing, “and soccer fields” in the second line; under the fourth whereas it is at the end of the sentence, “and soccer complexes” to remove that; and under section one in the center, second line, “and soccer complexes” removing it there.

Mr. Roberts: Correct.

Mr. Vincent: Is there a second on that motion?

Mr. Baker seconded the motion.

Mr. Vincent: Is there any discussion? Hearing none, all in favor of that amendment signify by saying aye.

A voice vote was taken with all present in favor. None were opposed. Mrs. Gentry was absent. Motion carried.

Mr. Vincent: We are now at Ordinance 16-74 as amended and we are at third reading.

Mr. Roberts moved for third reading, seconded by Ms. Gildow.

Roll call vote for passage.

Motion carries. Ordinance is passed.

Ordinance No. 16-75 – Introduced by Council – An Ordinance authorizing the proper city official to advertise for bids for Management Services for Gant Park Municipal Stadium Complex.

Ms. Gildow moved to postpone this Ordinance until the next Council meeting and it was a committee recommendation out of the Public Service Committee to postpone to the next meeting. Miss Bradshaw seconded the motion.

A voice vote was taken with all present in favor. None were opposed. Mrs. Gentry was absent. Mr. Wolfe abstained. Motion carried. The Ordinance is postponed until the next Council meeting.

Ordinance No. 16-80 – Introduced by Council – An Ordinance to allow an encroachment of a City Right-of-Way.

Mr. Roberts moved for third reading and passage, seconded by Mr. Foreman.

Roll call vote for passage.

Motion carries. Ordinance is passed.

Ordinance No. 16-87 Amended – Introduced by Council – An Ordinance amending Chapter 175 of the Codified Ordinances of the City of Zanesville, Ohio, providing for the Zanesville Emergency Medical Services Board.

Mr. Roberts moved for third reading and passage, seconded by Mr. Baker.

Mr. Roberts moved to amend this legislation in the following ways:

Under 175.01(A) to delete, “appointed annually by the Mayor of the City of Zanesville”. The members on this board are clearly explained how and why they are on the board and there is one that is appointed by the Mayor for a two year term so that doesn’t really make sense.

Under 175.02 (D) the addition is, “Rule changes shall be reviewed and approved by the Public Safety Committee majority”.

Under 175.03 Definitions letter (N) just a definition addition for, “EMSAC-Emergency Medical Services Advisory Council”.

Those amendments were presented at the Public Safety Committee meeting last week or the week before and were approved.

Mr. Vincent: So with recommendation of committee a motion to amend as Mr. Roberts just shared with you. Is there a second on it?

Mr. Wolfe seconded the motion for the amendment.

Mr. Vincent: Is everyone clear on the amendments? Is there any discussion? All in favor of those amendments signify by saying aye. Opposed say nay.

All present were in favor. None were opposed.
Motion carries. Mrs. Gentry was absent.

Mr. Vincent: We are now at 16-87 as amended. We need a motion for third reading.

Mr. Roberts moved for third reading and it was seconded by Mr. Baker.

Mr. Vincent: Is there any further discussion? I would like to thank the committee and Mr. Buck. I am sure many were involved with this. I am sure a lot of work went into this to make sure it worked out well. The concerns were heard and adjustments were made. Thank you all. With that, we will have roll call vote for passage.

Roll call vote for passage.

Motion carries. Ordinance is passed.

Ordinance No. 16-88 – Introduced by Council – An Ordinance authorizing the proper city official to provide amenities for an announcement event for the U.S. Environmental Protection Agency’s Office of Sustainable Communities and the U.S. Department of Agriculture’s Rural Utilities Service for the purpose of announcing the award of the Cool and Connected Broadband Planning Grant and declaring an emergency.

Mr. Baker moved for third reading and passage, seconded by Mr. Foreman.

Mr. Vincent: Is there any discussion? I know there were a lot of questions the last time as far as getting the language straightened out on that, so we looked at it to bring back amendments to it. So Mr. Baker, do you have those amendments?

Mr. Baker: Yes, I would like hope to amend Ordinance 16-88 in accordance with the revised version that Council has before them.

Mr. Vincent: With that, I see in the sixth whereas replace with, “Whereas, with an announcement date for the event to be in October 2016 an emergency is necessary in order to prepare for the presentation”. In Section One removing the date of August 18, 2016 because there was a delay. Is that correct Mr. Baker?

Mr. Baker: That is correct.

Mr. Vincent: Was there a second on that? It is seconded by Mr. Roberts. Is there discussion or questions? All in favor of the amendment signify by saying aye. Those opposed nay.

A voice vote was taken with all present in favor. None were opposed. Mrs. Gentry was absent. Motion carried.

Mr. Vincent: We are now at Ordinance 16-88 as amended and we are at third reading.

Mrs. Osborn moved for third reading and passage. It was seconded by Mr. Baker.

Mr. Vincent: Is there any discussion? Hearing none, we will have roll call vote for passage.

MISCELLANEOUS AND UNFINISHED BUSINESS

Mayor Tilton: A few evenings ago I spoke with you about the renovations at Kidzville and how we need volunteers to step up to take over some high positions in that project. To this date we have only had a couple so I am still asking for those to step forward so that this project can move forward in the spring. We will be having meetings over the winter to discuss the project and hopefully we get enough people that next spring we can make this project happen.

On September 25th down at Secret Auditorium the Y-City Barbershop Chorus of Zanesville will be doing Rocking Around the Barbershop production. So we would like for everyone to attend.

Also on October the 15th Hal Holbrook with Mark Twain's Tonight will be at the Auditorium for the opening of the Concert Association's Season.

PRIVATE PETITIONS AND COMMUNICATIONS

Non-agenda item petitions filed

David Rogers, 1104 Benjamin Avenue, Zanesville, OH 43701, speaking on continuation of speaking material of 8/22/2016 on recording of police and public officials.

Mr. David Rogers: Okay, in order for some of this to make sense to some people, you will have to go online and refer to the minutes from the last meeting. I am picking up where I left off. The lawsuit with the city was dismissed without prejudice. It is still re-fileable. It is a matter of money. It is like having my sim card undeleted. Justice costs money. There is no justice for all. The County wants ZPD eliminated. Police are in disarray between their co-workers, to no more lame duck status, but ZPD must be cleaned up, not eliminated. I can give you examples from 2000 where ZPD investigated a state patrol and our former Law Director sent the charges up to Mr. Haddox's office and he refused to prosecute an officer. He looks the other way at criminal activity of law enforcement officers. Plus he puts the "P" in pimp not prosecutor. A court appointed attorney does not have the leverage that a normal attorney does. Is that justice for all? No. Also any time I file against the city, I still consider open and if any other time that I have still remaining I waive for Mr. Jones. Thank you.

Mr. Vincent: Thank you, Mr. Rogers.

Greg Orofino, 1416 Maple Avenue, Zanesville, OH 43701 speaking on water main issues on Maple Avenue.

Mr. Orofino: As you know there is a lot of water main breaks on Maple Avenue and all over the city for that matter. We have a lot of old pipes. I was surprised to find out that we have had 87 water main breaks from Adair Avenue up to Balls Road. Just in my area it has been about 27 water main breaks with 24 of those have happened in the last ten years. That would be from Dresden Road down to Adair Avenue. I know replacement is costly. There is no money tree to budget plans to get money from. We have to figure out a way to fix the pipes that we have in our community. The pipes are very old and it needs to be done before we pave a road if possible. It doesn't make a lot of sense to pave a road like we did Maple Avenue and then have to tear it up again because we have water main breaks. This latest water main break was just a couple of weeks ago and it affected all of our businesses on a Friday which was a very busy day. The hair stylist next door had to close. I had to go down on Locust to pick up water from a friend. Papa John's opened late. Their sidewalk popped up so it can cause a lot of grief. Also you have a lot of great guys working on the roads and doing repairs and that type of thing and the repairs to the pipes as well. You are putting them at risk because we are going down to one lane and not everybody is obeying the speed limits and that type of thing. I feel like it is time to come up with some kind of mechanism to either write grants to get the pipes replaced rather than replacing two feet at a time like we are doing right now. That is what I wanted to bring to everybody's attention and hopefully we can get something accomplished in changing the way we are doing business on water. We need to make a change on that to update our pipes somehow. I appreciate it. Thank you very much.

Mr. Vincent: Thank you, Mr. Orofino.

Mr. Roberts: Mr. Orofino, we discussed this earlier tonight in the Public Service Committee meeting. From the top of the hill there down to I believe it was Adair there were seven breaks since 2014. The water department does have a capital improvement plan in place. They structured it a few years ago to replace certain lines that are problematic throughout the city. You are currently sitting at number three. Hopefully we will get that line replaced late 2017 or early 2018. Is that correct, Chip (City Engineer)?

Mr. Chip Saunders: That is what we talked about.

Mr. Roberts: More toward 2018. There is a possibility we could look at moving it up, but that would mean bumping something that is a higher priority, down. I understand your loss of business and everybody else's around there and the congestion that it creates on Maple while the people try to fix the line. I think we are going to take a look at it and Mr. Mills has some good information and we will see what we can get done.

Mr. Orofino: I appreciate it.

Mr. Saunders: One of the projects that is on that list is Linden Avenue from Adair to the City limits. We are trying to get that done ahead of time because we are scheduled to pave it next spring. If we could keep up with them, but we just can't replace our lines fast enough. We try to pave every ten years, but it ends up being twelve to fifteen, more often than not.

Mr. Vincent: Thank you.

Mr. Eric Jones, 221 Luck Avenue, Zanesville, OH 43701 speaking on picture: MMM-DIG D=Right of Discussion.

Mr. Eric Jones: Hello everybody. What I should have put down there is mental picture because everybody is probably looking for a picture and that was basically is what I had was the three large letter M's having shovels in their hands and digging in the dirt for a buried treasure and the buried treasure is republican democracy. The D.I.G. is a memory device. The D represents discussion, the I is information, and the G is good faith. These are the six principles of democracy. We are 0 for 3. We are now to the right of discussion. I will start off real quick by saying that it is nice of you guys having meetings before this meeting, but very few people, very few of the residents of Zanesville go to those meetings. When we do go, it is not really necessary. Well, I won't say necessary, it is not. It is sort of frowned on when the citizens, or not citizens, but residents of Zanesville, speak out or say anything at these meetings, period. I tried a couple of times. You sort of get slapped down. Now you have a right of discussion which if we had citizens we would have that here, but as I have said before we are not really treated as citizens. We are residents. We are invitees. You don't have a democracy if you don't have citizens. That is just the way it is. I am not trying to be fancy here. I am not trying to trick anybody. I have asked a number of times to please read the Declaration of Independence. You took an oath to support the Constitution. Maybe you should take time to read it. We are not under Roberts Rules of Order, but we

need to be under Roberts Rules of Order if we are going to have democracy on this level. Again, this is not rocket science. These are things you are supposed to know; especially, if you took the oath. Seriously! If you are going to take it seriously to support the Constitution you should at least know some of the Constitution. I don't know how many different ways to say this. I come down here meeting after meeting and pretty much repeat. It is getting kind of tiresome. I was thinking you guys were smart enough. Some of you have college degrees, some of you have masters. These are the kind of things you are supposed to know, without me trying to force it on you. This is something you should voluntarily know. As I say, I won't hold up your time with that. It is getting tiresome. Thank you.

Mr. Vincent: Thank you, Mr. Jones. That is the end of private petitions. So with that I will entertain a motion to adjourn.

Mr. Roberts moved to adjourn and it was seconded by Mrs. Osborn.

Mr. Vincent: All in favor of adjournment signify by saying aye. All opposed say nay.

A voice vote was held with all present in favor of adjournment. None were opposed. Motion carries.

Mr. Vincent: We stand adjourned. Thank you everyone. Have a good evening.

The meeting adjourned about 7:42 p.m.
