**Ordinance No. 19-08** - Introduced by Council – An Ordinance authorizing the proper city official to advertise for bids and enter into a contract with the lowest and best bid for the construction of the curb and sidewalk improvement in the City's CDBG Funded Target Areas.

Mr. Roberts moved to waive the readings and it was seconded by Mr. Baker.

Mr. Vincent: Is there any discussion on waiving?

Mr. Baker: Just so everybody knows this was recommended by the Community Development Committee. Jay (Mr. Bennett) could you give us a bullet point run down of this please.

Mr. Bennett: Sure, this is two grants the City received. The 2017 Critical Infrastructure Grant was for \$300,000. This is for curb, sidewalk, and pedestrian amenities across Ridge and Brighton Blvd. The improvements will start at Mead Street by Hickory, go up to Ridge Avenue and turn right. Go up to Brighton Blvd. on Ridge and turn left and head over the hill. These are spot improvements along Brighton and then replacement of both sides in the other two areas. A \$300,000 grant, \$295,000 for projects and \$5,000 for

Administration costs. The City has some cash to add in as leverage for pedestrian crossing improvements.

The other project is an Allocation Grant that was part of the process and the committee recommended it for curb and sidewalks along the east side starting up at, what I refer to as Justine's Barber Shop, next to the City water tower. This really will kind of takeoff of what the City's improvement will be with that sidewalk and then going down over the hill to Ohio Street with curb, sidewalk, and stormwater improvements along that eastern side. That is a \$50,000 grant and the City is putting some match with it for a total \$120,000 project.

Mr. Vincent: The reason for waiving is the deadline is coming up?

Mr. Bennett: We have it for first reading, so if they want to go ahead and dispatch we are in good time for it. We just want to make sure we get there as early as possible to be able to get contractors as they are lining up their work for the year.

Mr. Roberts: Earlier tonight at the Public Service Committee meeting Mr. Saunders had asked for this to be waived so that is the reason for waiving.

Mr. Vincent: It helps to meet the deadline.

Mr. Bennett: Just trying to get contractors early in the year.

Mr. Vincent: Thank you. Is there anything else from Council on waiving? With that we will have roll call vote for waiving of the readings.
