Mr. Vincent: So under the second whereas then your motion is to change \$1,589.00 to \$1,598.00?

Mr. Vincent: We are now at Ordinance 19-38 as amended.

Mr. Baker: This is a moral claim just to refresh your memories from the last meeting. Mr. Haddock hit a pothole out on Center Drive and he initially was requesting \$2,848.41. The Blue Book value was determined at \$1,598.00 as the moral claim. I believe Mr. Haddock, is Mr. Haddock here? I thought he was going to show up. He was going to be here to answer questions. I think he is running late.

Mr. Vincent: Thank you, Mr. Baker. So the car is a total loss then?

Mr. Baker: Yes.

Mr. Vincent: The repairs are more expensive than the value?

Mr. Baker: Absolutely. It was a 2000 Honda Accord LX with over 200,000 miles on it.

Mr. Vincent: Is there anything else from Council?

Mr. Bennett: This is on the Public Service Committee Agenda in two weeks so prior to the third and final reading if Mr. Haddock wants to come to that meeting at 5:00 p.m.

Ordinance No. 19-25 – Introduced by Council - An Ordinance allowing a moral claim. (Ricky Hogan)

Mr. Sharrer moved for third reading and passage, seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion?

Mr. Sharrer: I do know that this particular moral claim came before the Public Service Committee and there was a recommendation for this to be passed. To refresh my colleagues on Council, this was the one that dealt with the road sign that came off of the pole and struck the vehicle.

Mr. Vincent: Thank you, Mr. Sharrer. Is there anything else from Council? Mr. Bennett, do you have anything?

Mr. Bennett: No other than that was a very blustery day. We had a light stanchion come down at the Municipal Stadium that day. There were people out of power that day. There were big winds. So those are things we cannot predict and plan against.

Mr. Vincent: I know there is some question as far as one screw in there which is not typical, but no one knows.

Mr. Bennett: I think if you look at the picture you can see two holes where it has been kind of wallowed out. I would use that technical term, I guess.

Mr. Vincent: Okay, thank you, sir. Is there anything else?

Mayor Tilton: If you read the moral claim itself it speaks to a car that is 20 foot away from this sign post. Once the sign hit the car, it flew another 30 foot. That is a long distance for something that is a failure of a screw or something like that. I was out that day with the crew so I can tell you the wind was amazingly strong. It took many trees down. So, it is an act of God. I don't think it is a failure on the City's part.

ZANESVILLE CITY COUNCIL MEETING APRIL 22, 2019

Mr. Vincent: Thank you, Mayor Tilton. Is there anything else from Council?

Mr. Foreman: I mean we don't know that the screw was in the sign or not in the sign and it could have come out that day, in other words is that what people are trying to say. Okay, I got it.

Mr. Vincent: Is there anything else from Council? Okay, we will have roll call vote.

MISCELLANEOUS AND UNFINISHED BUSINESS

Mayor Tilton: I have one thing. I would like to announce that one of our local manufacturing facilities will be receiving an award and it is called the Excellence in Technology. It is Stewart Glapat from the Eastern Ohio Development Alliance. They will be receiving this award on April 26 at the annual meeting. So, congratulations to Stewart Glapat and for all they do for the community.

Mr. Vincent: Thank you, Mayor. That is pretty neat, they are here local, Mr. Stewart.

Mayor Tilton: They have been nominated several times and this is the first time they have won the award.

Mr. Vincent: A family run business who has been successful for many years. It is quite the invention.

Mr. Foreman: Mr. Stewart does a whole lot for Zanesville City Schools as far as robotics and donations. So, just a further note would be that he does a lot of things with his company that benefits the schools. So, very commendable.

Mayor Tilton: Absolutely.

Mr. Vincent: Quite the educator.

Mr. Foreman: Yes.

Mr. Vincent: Is there anything else from the Administration?

There were no further comments.

We will let you know when it is over and you are welcome to come back in. I need you to stand back at least 20 foot from the doorways if you would please. The cameras will go off at this point. That will be the conclusion for the night for those watching the TV.
