

Rob Sharrer,
Public Safety Committee Chair

ORDINANCE NO. 19-117
INTRODUCED BY COUNCIL

AUTHORIZING THE PROPER CITY OFFICIAL TO ACCEPT AND
ADMINISTER TWO GRANTS FROM THE OHIO DEPARTMENT OF
PUBLIC SAFETY

WHEREAS, The Ohio Department of Public Safety along with the US
Department of Transportation have set aside funding to reduce traffic related fatal and serious
injury crashes in Ohio; and

WHEREAS, the city has been awarded a reimbursable grant in the amount of
\$47,601.48 under FFY 2020 Grant #IDEP/STEP-2020—00089, and another reimbursable grant
in the amount of \$6,324.48 under FFY 2020 Grant #DDEP-2020—00058; and

WHEREAS, expenditures of the grant funds will be for overtime incurred while
patrolling specific areas of high traffic and specific dates during the period October 1, 2019
through September 30, 2020.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of
Zanesville, Ohio, that:

SECTION ONE: The proper city official is authorized to accept and administer
the two grants from the US Department of Transportation passed to the City through The Ohio
Department of Public Safety.

SECTION TWO: \$53,925.96 in combined grant funds are eligible for
reimbursement to the City specifically for overtime funds spent patrolling targeted dates and
areas during the period October 1, 2019 through September 30, 2020.

SECTION THREE: This ordinance shall take effect and be in force from and
after the earliest period allowed by law.

ORDINANCE NO. 19 - 94
INTRODUCED BY COUNCIL

AN ORDINANCE ESTABLISHING A "DIG ONCE" POLICY REDUCING UNDERGROUND EXCAVATION FOR COMMUNICATIONS INFRASTRUCTURE WITHIN THE CITY'S RIGHT OF WAYS.

WHEREAS, the City of Zanesville desires to comply with all mandates regarding public utilities as imposed upon it by state and federal law; and

WHEREAS, the City desires to encourage emerging wireless and fiber optic telecommunication facilities in the City of Zanesville; and

WHEREAS, the City of Zanesville has an interest in preserving its streets and roadways for their intended purpose, while minimizing interruptions to the flow of traffic; and

WHEREAS, examination of cost data from construction projects have determined that the incremental cost to install telecommunication conduits is \$2 -\$7 per foot during a public works road or sidewalk project. The cost to install a new conduit as a standalone project is \$25 - \$35 per foot. Typically, the conduit install represents an additional 1-2% of a road construction's project budget; and

WHEREAS, the proposed requirements for excavation or permits and entitlements relative to such projects respond to recent changes in laws concerning regulation of wireless telecommunication facilities and provide mechanisms for the City to maintain an aesthetically pleasing community environment, protect the safety and welfare of Zanesville residents, minimize degradation of the residential character of neighborhoods, streets, and roadways, and require the best available design to eliminate visual impacts while ensuring that adequate public services and facilities are constructed to accommodate the needs of Zanesville residents.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Zanesville, State of Ohio, that:

SECTION ONE: The purpose of this Ordinance and the following policy requirements for underground communications infrastructure within the public right of way are adopted with the purpose of preserving the health, safety, and welfare of the City's residents and City property by preserving the integrity of the City of Zanesville ("City") streets.

SECTION TWO: The City has an obligation to comply with all applicable state and federal authority pertaining to utilities and telecommunications, and intends for the Ordinance to be interpreted so as to comply with all such authority.

SECTION THREE: The City has an interest in promoting increased connectivity and emerging technology to its City residents and businesses in the historically underserved areas of the City. To that aim, the City shall cause the development of a Connectivity Plan which contains the following elements:

- a) Identification of the underserved areas within the City that do not meet the current F.C.C Broadband definition.
- b) An examination of near term investment into these areas by communication providers that also identifies potential Public/Private Partnerships which could expedite increased connectivity speeds.
- c) Mapping of preferred routes for the installation of communications conduit.

- d) Examination of City-owned structures which could be made available for co-location of communications facilities.
- e) Examination of the costs to install communications conduits for use by providers.

SECTION FOUR: In recognition of the need to provide emerging technology to the historically underserved areas of the City, and in further recognition of the need to minimize public inconvenience and traffic, and to preserve the integrity and lifespan of City streets, the intent of this Ordinance is applicable to all City sponsored construction, reconstruction of:

- a) Street, road, sidewalk, bike path, or other transportation infrastructure construction.
- b) Excavations for the purpose of installing utilities, including but not limited to communications, electrical, gas, water, waste water, storm drainage.
- c) Other excavations, or work on public property in the public right of way, that provide a similar opportunity to install conduit for future use at a low additional cost.

SECTION FIVE: The approvals for such City sponsored projects located in an underserved area of the City identified within Section Three above, shall include a provision for the installation of a public utility infrastructure, such as conduit, tube, duct, or other device designed for enclosing telecommunications wires, fibers, or cables, wherever practical and feasible. Such infrastructure shall be installed in accordance with City regulations, requirements, and specifications, including but not limited to the City of Zanesville Codified Ordinances, as directed by the Director of Public Service or his/her designee.

SECTION SIX: The City Engineer shall work with the providers to establish common standards for the type, size, and number of conduits and associated fixtures to be installed. These shall be at a minimum, a single conduit installed with the following specifications, unless the City Engineer determines otherwise:

- a) A minimum inside diameter of 2 inches.
- b) Made of PVC Schedule 40 material (color orange).
- c) Laid to a depth of not less than 18 inches below grade in concrete sidewalk areas, and not less than 30 inches below finished grade in all other areas when feasible, or the maximum feasible depth otherwise.
- d) When feasible, installed so fiber optic cable maintains a minimum bend ratio of 20 times the cable diameter.
- e) When practicable, furnish with pull tape and an external locate wire no more than 3 inches above conduit.

SECTION SEVEN: When determining if a particular specification is feasible or practicable, the City Engineer will take into account the added cost, the length of the conduit installed (and therefore its potential future value), the impact on the overall project, and other relevant factors.

SECTION EIGHT: Because communications facilities are needed to monitor, manage, and provide security for Public Service, Public Safety, and Economic Development in general, the cost of purchasing, installing, and documenting the conduit may be included in the cost of the overall project.

SECTION NINE: Conduit installed by or on behalf of the City will be owned by the City.

SECTION TEN: A record of all City-owned conduits will be installed and maintained into a geographic information system (GIS) format.

SECTION ELEVEN: This Ordinance shall take effect and be in force from and after the earliest period allowed by law.

ORDINANCE NO. 19- 105
INTRODUCED BY COUNCIL

AUTHORIZING ADVERTISING FOR BIDS AND
ENTERING INTO CONTRACT FOR THE PURCHASE OF
LIMESTONE FOR THE CITY'S REQUIREMENTS
DURING THE YEAR 2020

WHEREAS, it is essential that a contract be entered into for the City's requirements for limestone for the year 2020.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Zanesville, State of Ohio:

SECTION ONE: That the proper City official be and hereby is authorized to advertise for bids and enter into contract with the lowest and best bidder for the purchase of limestone for the City's requirements during the year 2020.

SECTION TWO: This Ordinance shall take effect and be in force from and after the earliest period allowed by law.
