

IX. Definitions

The definitions provided in the National Historic Preservation Act and the regulations at 36 CFR Part 800 apply to terms used throughout this agreement, such as “historic property” and “effect.”

X. Amendment & Duration

This agreement will continue in full force until December 31, 2024 and may be reviewed for modifications, termination, or renewal before this date has passed. At the request of either party, this agreement may be reviewed for modifications at any time. This PA may be amended when such an amendment is agreed to in writing by all signatories. The amendment will be effective on the date a copy signed by all of the signatories is filed with the ACHP.

XI. Emergencies

A. In the event that the grantee determines that a project must be completed on an emergency basis due to an imminent threat to life or property or in response to a natural disaster or emergency, the grantee may set aside the timeline established in Stipulation III to facilitate expedited review by the SHPO.

1. The grantee shall notify the SHPO in advance by phone of its intention to submit a project for emergency review.
 - a. Cover letter describing the nature of the emergency and the proposed treatment. Emergency nature of review shall be noted in bold in reference line.
 - b. The address of the property and the nature of the emergency
 - c. Recent photographs of the property
 - d. A signed copy of any local order compelling immediate action
 - e. An Ohio Historic Inventory Form or other documentation regarding the National Register eligibility of the affected property
2. The SHPO shall promptly notify the grantee of its concurrence with the grantee’s effect determination or may request additional information to complete the review. SHPO may recommend to grantee that resolution of adverse effects requiring the execution of a Memorandum of Agreement is necessary, but may agree to grantee’s recommendation to defer completion of such an agreement until the necessary emergency actions have been taken.

Execution of this PA by the grantee and SHPO and implementation of its terms evidence that the grantee has taken into account the effects of its undertakings on historic properties and afforded the ACHP an opportunity to comment.
