## **PRESS ADVISORY**

### **Cool and Connected Program Seeks Public Input**

#### **The Cool and Connected Broadband Planning Workshop Will Explore Expanding Broadband Services in Downtown Zanesville**

The City of Zanesville is hosting a public meeting on Tuesday, December 6 from 6-8 p.m. at the John McIntire Library Auditorium to discuss exciting, new ways to strengthen Zanesville's economic future.

Communities can harness the power of enhanced Internet access to create vibrant downtowns. This meeting will look at different ways Zanesville's residents, businesses, and regional partners can leverage broadband Internet for new economic opportunities—and we'd love to hear your thoughts.

Come share your ideas and input with Zanesville's community leaders. The meeting is also an opportunity to learn from national experts in the broadband Internet and economic development fields. Representatives from Broadband Catalysts and Smart Growth America will be present to answer your questions and provide insight into success stories from other communities.
