

**City Council Meeting
Agenda of Business
November 27, 2023**

The Lord's Prayer

Pledge of Allegiance to the Flag

A. Roll Call

B. Approval of Meeting Minutes Dated November 13, 2023

C. Communications, Reports, and Resolutions
None

D. Proposed Ordinances

1. **Ordinance No. 2023-111** – Introduced by Council – An Ordinance authorizing advertising for bids and entering into contract for the purchase of limestone for the City's requirements during the year 2024. (First Reading)
2. **Ordinance No. 2023-112** – Introduced by Council – An Ordinance authorizing advertising for bids and entering into a contract to purchase a Special Response Team vehicle for the Zanesville Police Department. (First Reading)
3. **Ordinance No. 2023-113** – Introduced by Council – An Ordinance authorizing the Public Service Director to apply for a \$21,100.00 grant, advertise for bids, and enter into contracts for the Airport Entrance Road Reconstruction Project and declaring an emergency. (Emergency or First Reading)
4. **Ordinance No. 2023-114** – Introduced by Council – An Ordinance authorizing the Public Service Director to apply for a \$11,120.00 grant, advertise for bids, and enter into contracts for the Airport Reconstruct Runway 4/22 REIL's and Beacon Project and declaring an emergency. (Emergency or First Reading)

E. Ordinances for Action

1. **Ordinance No. 2023-104** – Introduced by Council – An Ordinance authorizing the Public Service Director to contract with Southeastern Equipment Company to supply a cold mill planer through the Sourcewell Cooperative Purchasing Program. (Third Reading)

F. Traffic Orders

No Traffic Orders were filed for this meeting.

G. Miscellaneous and Unfinished Business

Pam Page, Executive Director Transitions – Grant activities update on benefits to the City.

H. Private Petitions and Communications

None

The next regular meeting is scheduled for December 11, 2023.

This meeting is open to the public who may attend in person or attend by phone or Internet using the information below.

ZANESVILLE CITY COUNCIL MEETING – MONDAY, NOVEMBER 13, 2023

The Zanesville City Council met in regular session at 7:00 p.m. on Monday, November 13, 2023 in the City Council Chambers, 401 Market Street, Zanesville, Ohio.

Mr. Vincent: Good evening, everyone. I'd like to call Zanesville City Council meeting to order for November 13, 2023. Please stand and join me in the Lord's Prayer, followed by the Pledge of Allegiance, which will be led by a Cub Scout Pack 128.

Mr. Vincent led those present in the Lord's Prayer.

Mr. Vincent: We are honored tonight to have Cub Scout Pack 128 out of the First Christian Church on Dresden Road. They are here to work on their Arrow of Light Badge, which they can carry forward with them as they become Boy Scouts. I hope you gentlemen will be doing that. They're going to lead us in the Pledge. Whenever you're ready, gentlemen.

Cub Scout Pack 128 led those present in the Pledge of Allegiance to the Flag.

Mr. Vincent: Thank you, gentlemen. May I have roll call, please?

The following members of Council answered roll call: Mr. Baker, Mr. Wolfe, Mr. Ware, Miss Bradshaw, Mr. Pettit, Mrs. Osborn, Mr. Foreman, Mr. Roberts, Mr. Ballmer, and Mr. Vincent.

Mr. Vincent: All are present. Thank you, everyone, for being here.

APPROVAL OF MINUTES

Mr. Vincent: We will now move on to the Approval of the Minutes from our last meeting, October 23, 2023. What is Council's pleasure?

Mr. Pettit moved to approve the minutes of October 23, 2023 as written. It was seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion? Hearing none, all in favor of approval of the minutes, signify by saying aye. Those opposed, nay.

A voice vote was taken with all being in favor. None were opposed.

Mr. Vincent: Motion carries. Minutes stand approved.

COMMUNICATIONS, REPORTS, AND RESOLUTIONS

Mr. Vincent: We now move on to Communications, Reports, and Resolutions. Our first is a communication from Police Chief Comstock.

Communication from Police Chief Comstock - The Zanesville Police Department auction items are attached and were authorized to properly dispose of vehicles and related equipment pursuant to R.C. §4513.62 by Ordinance Number 2021-10 adopted by Zanesville City Council on February 8, 2021. Said items will be auctioned on November 18, 2023 starting at 10:00 a.m. at the City's Police Impound Lot.

Mr. Vincent: I need a motion to receive.

Mr. Roberts moved to receive the communication from Police Chief Comstock. It was seconded by Mrs. Osborn.

Mr. Vincent: Is there any discussion? Hearing none, all in favor of receiving, signify by saying aye. Those opposed, nay.

A voice vote was taken with all being in favor. None were opposed.

Mr. Vincent: Motion carries. It is interesting we have some smaller items on there, making the best use of everything.

PROPOSED ORDINANCES

Ordinance No. 2023-106 – Introduced by Council – An Ordinance amending appropriation Ordinance No. 2023-28 and declaring an emergency.

Mr. Vincent: Motion to waive or first reading?

Mr. Pettit moved to waive the readings. It was seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion on waiving? Hearing none, we will have roll call vote for waiving of the readings.

Roll call vote for waiving of the readings.

9 Ayes

0 Nays

0 Absent

Mr. Vincent: Motion to waive carries. Now I need a motion for passage.

Miss Bradshaw moved for passage. It was seconded by Mr. Pettit.

Mr. Vincent: Is there any discussion?

Mr. Wolfe: Mr. President?

Mr. Vincent: Yes, Mr. Wolfe.

Mr. Wolfe: I'm not sure if the language in the third paragraph is correct. It says we would be in jeopardy of providing efficient and reliable services. Shouldn't it say, not providing.

Mr. Vincent: I'm sorry. Where is that again, please?

Mr. Wolfe: Third paragraph.

Miss Bradshaw: The third "whereas."

Mr. Wolfe: The third "whereas," yes.

Mayor Mason: What was the issue, Brad?

Mr. Wolfe: It says we would be in jeopardy of providing efficient and reliable services. But shouldn't it say, "not providing...?"

Mr. Vincent: So, the third "whereas," top sentence at the end, it says, "in jeopardy of," and questioning whether "not" needs to be in there. Jeopardy of providing efficient and reliable services?

Mayor Mason: I believe it's accurate.

Kade Haddox: It says without appropriate funding.

Mrs. Osborn: Without funding, we would be in jeopardy of not...

Mr. Vincent: No, that would be a double negative. So, without funding, we would be in jeopardy.

Mrs. Osborn: Of providing efficient services.

Mr. Pettit: It would probably be in jeopardy of being unable, well no.

Mr. Vincent: Law Director?

David Tarbert: I mean, it's just a grammatical issue. I think either way is fine. I think the intent is there. We all know what it means. I think we can read it either of two ways. So whatever Council is most comfortable with is fine with me.

ZANESVILLE CITY COUNCIL MEETING MONDAY, NOVEMBER 13, 2023

Mr. Vincent: Okay. I guess my thoughts are without appropriate funding, we don't have enough money that would put us in jeopardy, jeopardy of providing efficient and reliable service. So I guess I'm thinking it's correct.

Mr. Wolfe: Okay, as long as it says what we need it to.

Mr. Vincent: Okay, is everyone fine on that? If not, need to make a motion.

Mr. Foreman: It should say providing efficient and reliable services would be in jeopardy. That's what it should say.

Mr. Wolfe: What did you say, Steve?

Mr. Foreman: It should say "City Departments would be in jeopardy..." no, no. "City Departments..."

Mrs. Osborn: Providing services would be in jeopardy. Yes, that's what it should say.

Mr. Vincent: If anyone feels passionate about this, if you take it up with Kade Haddox, to reconsider it for next time. So with that, any other discussion? Okay, Mr. Haddox, do you want to run through this for us, please? Because there are some significant stuff here.

Kade Haddox: Yes, sure. This is hopefully the last, or maybe one more appropriation change. This is the more significant one. As a City, we've had a rough year for insurance costs. We're about 33% year-over-year. In dollars to put things in perspective, we spent about \$5.6 million last year. We're going to spend about an additional \$1.7 million in addition to that this year. So, you'll see most of those changes are related to that.

The salaries and wage changes that you'll see, I know Council usually has questions about those, are either pertaining to staff that was added to the maximum strength midyear or we also implemented a new vacation and comp time sellback program that Council approved last November/December. I am happy to report that the City bought over \$300,000 worth of time back this year, just under 10,000 hours. That should help with the guys not taking as much time off work, coming to work, and hopefully improving staffing levels and saving money long term.

I don't think there's anything else in General Fund on page 1 or 2. Obviously, the income tax has turned out well. We do what's called zero budgeting, zero balance budgeting, here at the City, so we don't actually build in a cash balance that we carry forward each year. So typically, we accomplish where I want target cash balances to be, by holding back income tax funds until the end of the year to appropriate at a later time. That's kind of how we get to next year's cash balances.

As you can see, on page 3, the Police Fund, a lot of that \$1.7 million is related to their fund on insurance, increased insurance costs for reasons I won't go into, due to HIPAA. Fund 202, same thing again, increased insurance.

Page 4, you'll see the increase in income tax in Fund 205 that I just discussed. A lot of these are a little inflated because I can't get the money out of 205 to the other funds unless I have enough dollars there. So, I usually add extra income tax dollars so the Auditor's Office can transfer the cash balance of that one to Police, Fire, General, as well as the Jail.

270 Fire Operating Fund – once again you'll see a common theme here, a large increase to the insurance costs to make sure we get through the end of the year. Same for Fund 304 Community Development. Their salaries and wages increased, like I mentioned before. I believe we added two new positions? Three new positions?

Mayor Mason: But then we lost.

Matt Schley: We lost one.

Kade Haddox: We did. So we're basically picking up two additional salaries that I believe were put on the books in May of this year. Those are just, you know, through the last three pay periods of the year for Community Development.

Airport Fund, small changes. Cemetery Fund, small changes. Water fund, once again, you'll see a large transfer to self-insurance fund, as well as the Municipal Water Improvement Fund. I will say we're trying to build balance there. I think Scott would be proud to say that we've done a million dollars' worth of water projects in cash this year, thanks to Council increasing rates. So that's really helped with our infrastructure and being able to do projects as they pop up, as well as water breaks.

Mr. Vincent: Hopefully with that, if it's possible, we'll get to some point where we have everything updated and it's not breaking as much, and maybe we can reduce rates at some point. Wouldn't that be nice?

Kade Haddox: I think we've cut water breaks in almost half in a two-year period.

Scott Brown: Sounds right.

Mr. Vincent: We're getting there.

Kade Haddox: So, we're down under 200 water breaks. And we were well over 300, I think, a couple years ago.

Mayor Mason: I'd like to throw in, per Scott's prediction, once we replaced the 1,500 feet of waterline on Maple Avenue, roughly running from Bell south, we haven't had a break since in three months. We were replacing those, what, every ten days?

Mr. Vincent: It gets expensive. Please continue on Mr. Haddox.

Kade Haddox: Then the last major changes, you'll see in Vehicle Maintenance on page 9, those are just for our parts budgets for vehicles, as well as gasoline, just to get us through the rest of the year. Then Fund 750, obviously reflects the large increases in the insurance fund from the other funds. Other than that, I think everything else is pretty immaterial. If Council has questions, I'd be more than happy to entertain those.

Mr. Vincent: Mr. Haddox, I wanted to make sure I heard you right. So, we're looking at \$7.3 million this year in insurance claims?

Kade Haddox: That's where we're projected at right now.

Mr. Vincent: Up from \$5.6 last year?

Kade Haddox: Correct.

Mr. Vincent: Okay. I know at one time we talked about and maybe we do have some plan as far as preventative-type stuff, to be healthier.

Kade Haddox: Yes, we do. I will say over a five-year trend, we're only averaging about 7% year-over-year increase. So as far as five-year benchmarks go, we're well ahead of other governments that have similar populations, as far as medical plan size. We spiked this year. We've actually had a couple of years where we've had 15% decrease in that. So I try to look over it more of a five-year time period. You know, medical claims too with our stop loss, our year runs from December 1 to the end of November of each year. So sometimes those are carried over from multiple years, depending on procedures, medications, things like that. So, I try to look at it more of a 3 to 5-year window than just a 12-month window.

Mr. Vincent: So as an average, you say we're...

Kade Haddox: We're about 7% year-over-year increase.

Mr. Vincent: Compared to other similar size cities?

Scott Brown: 12%. No, ours is 7%, and the average is 12%.

Kade Haddox: Yes, the average is 12%. Those are cities anywhere from Ohio to Tennessee. MedBen sends out benchmark data based off of all the plans that they have. So that would be against the county and other local governments here, West Virginia, Kentucky, Tennessee. I think in our group, there are about 57 different government entities that they looked at. We are trending about 5% lower than all of them, year-over-year average.

Mr. Vincent: So, doing pretty good as an average. Okay, just a bad year. All right, anything else from Council? We will have roll call vote for passage. Thank you, Mr. Haddox, appreciate it.

Roll call vote for passage.

Mr. Vincent: Motion carries. Ordinance is passed.

Ordinance No. 2023-107 – Introduced by Council – An Ordinance authorizing a maximum schedule of positions for the City of Zanesville’s workforce and declaring an emergency.

Mr. Roberts moved to waive the readings. It was seconded by Mr. Ballmer.

Mr. Vincent: Is there any discussion on waiving?

Mr. Roberts: Mr. President?

Mr. Vincent: Mr. Roberts.

Mr. Roberts: This ordinance was discussed at Public Service tonight and the recommendation was to pass this as an emergency.

Mr. Vincent: Thank you, sir. Anything else from Council on waiving? Okay, we’ll have roll call vote for waiving of the readings.

Roll call vote for waiving of the readings.

Mr. Vincent: Motion to waive carries. Now I need a motion for passage.

Mrs. Osborn moved for passage. It was seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion? This is a position that we’ve needed for a long time, we have been on borrowed time not having backup. We’ve been blessed with clerks in the 22 years that I’ve been here that never call off sick before a meeting and were able to fulfill duties, all the legislative needs, signing legislation and make sure we are running smoothly. So, it’s long overdue and be good to have this in place. Okay, we’ll have roll call vote for passage.

Mr. Vincent: Motion carries. Ordinance is passed.

Ordinance No. 2023-108 – Introduced by Council – An Ordinance appointing a Deputy Clerk of Council (on-call) and declaring an emergency.

Mr. Roberts moved for first reading. It was seconded by Mr. Ballmer.

Mr. Vincent: Is there any discussion?

Mr. Roberts: Mr. President?

Mr. Vincent: Mr. Roberts.

Mr. Roberts: I make a motion to amend section three, after the period, to read "retroactive to any hours worked on 11/13/2023."

Mr. Vincent: So, a motion made by Mr. Roberts to edit section three, at the end of the sentence to add "retroactive to any hours worked on 11/12/2023." Is there a second?

Mr. Ballmer: Second.

Mr. Vincent: Is there any discussion on the amendment? And you do have a copy in front of you, Council.

Mrs. Osborn: Mr. President?

Mr. Vincent: Yes, Mrs. Osborn.

Mrs. Osborn: Did you say the 12th?

Mr. Vincent: I'm sorry. Today's date (13th), I misspoke.

Mrs. Osborn: All right, thank you.

Mr. Vincent: Thank you for catching that. I don't want to confuse. Any other questions? All in favor of that amendment, signify by saying aye. Those opposed, nay.

A voice vote was taken with all being in favor. None were opposed.

Mr. Vincent: Motion carries. We are now at Ordinance 2023-108 As Amended. What is Council's pleasure?

Mr. Roberts moved to waive the readings. It was seconded by Mrs. Osborn.

Mr. Vincent: Is there any discussion of waiving? Hearing none, we will have roll call vote on waiving of the readings.

Mr. Vincent: Motion carries. Ordinance is passed.

Ordinance No. 2023-109 – Introduced by Council – An Ordinance authorizing a maximum schedule of positions for the City of Zanesville’s workforce.

Mr. Vincent: We are at first reading.

Mr. Roberts moved to waive the readings. It was seconded by Mr. Ballmer.

Mr. Vincent: Is there any discussion of waiving?

Mr. Roberts: Mr. President?

Mr. Vincent: Mr. Roberts.

Mr. Roberts: It was discussed in Public Service tonight. Even though this ordinance does not contain the emergency language, we’re in fear that having two maximum schedule of positions in conflict with one another could be confusing to the administration. So we would like the readings to be waived on this so they both move through at the same time.

Mr. Vincent: Well said. Thank you, Mr. Roberts. Any other discussion? We will have roll call vote for waiving of the readings.

Mr. Vincent: Motion carries. Ordinance is passed.

Ordinance No. 2023-110 – Introduced by Council – An Ordinance establishing rate of pay and benefits for seasonal employees, employees engaged in stage and technical support at Secrest Auditorium and Public Service Student Apprentice.

Mr. Vincent: We are at first reading.

Mr. Pettit moved for first reading. It was seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion? Mr. Brown, if you would, take us through this here.

Scott Brown: Yes, the legislation and the title, the only thing that's changing is we added to the legislation we created about two years ago, with how to pay seasonal employees and stage hands. And so that's why it appeared in the title of the legislation. What we did was add the Student Apprentice that we just passed in 2023-109 with the maximum strength. This is simply allowing us to pay those same students. So if it's Council's pleasure, would you be willing to waive these readings so that it will time up with the maximum strength?

Mr. Vincent: Okay, sure. Can you explain a little bit more about your dreams for this, as far the benefit to the City?

Scott Brown: Sure, I'd be more than happy to. So, the City of Zanesville and the Zanesville City Schools are working through a process with the State of Ohio to create an apprenticeship program where the students will get high school credit for the hours worked with the City. We had 17 students that signed up to take a look at the program and were interested in finding out what it's like to work for the City. We had two tour

groups come through and visit the Street, Sanitation, Vehicle Maintenance, Water Maintenance, Water Treatment, and the Wastewater Treatment. The next step then is for the students to select what they're interested in, and then we'll actually go through a formal interview process with them so they get some practice. The goal then would be to start second semester. The students will work four hours a day for the City and then would be in class at the high school the rest of the time. This program then would go through the second semester of the school year for '24. And then we would start with the current juniors. We would start fresh with them over the summer, bring them onboard, and introduce them to all the different programs. And then when they get ready to enter their senior year of high school, then they would be working four hours a day for the City and then also attending class. The nice thing is that it will afford them some flexibilities. So if they play sports, they can work in the morning and then go to class in the afternoon, and go on to practice. Or they can go to class in the morning and then work in the afternoon.

Mr. Vincent: Okay, thank you. And the goal here then is recruitment?

Scott Brown: Yes, it is. It gives a group of people that normally would have little or no understanding as to how municipal governments work and what it's like to work for a municipality. It allows us to introduce to a new group of prospective employees, and it also gives the City an opportunity to work with them and kind of teach them what it means to work in a grown-up type environment. And they also have an opportunity then to participate in PERS, so they're going to build a whole year in PERS while they're still in high school.

Mr. Vincent: Yes, a great opportunity for them. And we've had recruiting challenges.

Scott Brown: Yes, we have.

Mr. Vincent: As everyone has.

Scott Brown: Yes. We're no different than anybody else. We've certainly run into the situation where sometimes we have more jobs than we have applicants. So this will certainly bring in a whole new group of people and introduce them into what we have to offer here at the City.

Mr. Vincent: And investment as far as recruiting. Cost, are there any figures cost-wise?

Scott Brown: As far as cost-wise, well the pay is the seasonal pay, which is why we're here. So the current seasonal pay is \$15.85/hour. And it will be just that times the total number of students will be what our cost is. There is a small grant program before the State, but it's designed to be able to purchase any sort of clothing or equipment that the students might need for their job. So, for this instance, you have to have steel-toed shoes in order to work in Public Service, and this grant looks like it's going to cover those costs for those things.

Mr. Vincent: Okay, that's nice.

Mr. Roberts moved to waive the readings. It was seconded by Mrs. Osborn.

Mr. Vincent: Is there any discussion on waiving? Hearing none, we will have roll call vote for waiving of the readings.

Mr. Vincent: Motion to waive carries. Now I need a motion for passage.

Miss Bradshaw moved for passage. It was seconded by Mr. Pettit.

Mr. Vincent: Is there any discussion?

Mrs. Osborn: Mr. President?

Mr. Vincent: Yes.

Mrs. Osborn: Is there any thought, if this goes well, expanding to other local high schools?

Scott Brown: Yes, that's a great question. We had to start somewhere, and so obviously being the City and city schools, a great opportunity. But it's a great question, and yes, I hope that this program is successful, and I hope that I'm back here and say I need to open it up to 60 or 90 people because all of the county is sending their students to us. So that will be wonderful if we can grow. I think that if this first round here is successful, that it will prove a good model for the rest of the county schools to look at.

Mr. Vincent: Thank you. It's nice to invest in students and their futures and maybe we can get something for police. I know the police and the jail is a real challenge. So maybe it can be adapted somehow to that. Anything else from Council? We will have roll call vote for passage.

Roll call vote for passage.

ORDINANCES FOR ACTION

Ordinance No. 2023-104 – Introduced by Council – An Ordinance authorizing the Public Service Director to contract with Southeastern Equipment Company to supply a cold mill planer through the Sourcewell Cooperative Purchasing Program.

Mr. Vincent: We're at second reading.

Mr. Pettit moved for second reading. It was seconded by Miss Bradshaw.

Mr. Vincent: Is there any discussion? Hearing none, we're at second reading, so all in favor of second reading, signify by saying aye. Those opposed, nay.

A voice vote was taken with all being in favor. None were opposed.

Mr. Vincent: Motion carries. Returns to our next meeting for third and final reading.

Ordinance No. 2023-100 – Introduced by Council – An Ordinance authorizing the City of Zanesville to enter into a Community Reinvestment Area agreement with 8 Main LLC.

Mr. Vincent: We are at third reading.

Mr. Roberts moved for third reading. It was seconded by Mr. Ballmer.

Mr. Vincent: Is there any discussion?

Mr. Wolfe: Mr. President? I have a question for Mr. Schley.

Mr. Vincent: Yes.

Mr. Wolfe: I know you probably already explained this before, but can you explain how this impacts the City school district, and do they have an opportunity to review this or how does this work?

Matt Schley: Under the current Ohio Revised Code, the abatement requested is below the threshold that the city schools would have the opportunity to oppose this. They are notified of it, but they would not have the opportunity to oppose. Essentially all it would do, it would not impact them for what they currently receive in taxes. It's a 75% abatement. Thus, they will not receive 75% of the new increase in taxes. They will still see an increase of 25%, but it will not impact how they are currently receiving taxes from this property.

Mr. Wolfe: Thank you.

Mayor Mason: Mr. Chairman and councilmen. This probably will not be an intensive, basically there won't be a lot of children living within this location, so there probably will be almost no impact on the enrollment of Zanesville City School system.

Mr. Wolfe: Thank you.

Mr. Vincent: Okay, anything else from Council? We are at third reading, so we will have roll call vote for passage.

Mr. Vincent: Motion carries. Ordinance is passed.

TRAFFIC ORDERS

Mr. Vincent: We now move on to Traffic Orders, which we have none.

MISCELLANEOUS AND UNFINISHED BUSINESS

Mr. Vincent: So we will go to Miscellaneous and Unfinished Business, and again turn to the Mayor first. What good news do you have for us?

Mayor Mason: Thank you very much, Mr. President and members of Council. Just to give you your entertainment outlook for the coming few weeks, on December 15, we'll

have a Neal McCoy concert at the Secrest Auditorium and Music Hall. That will start at 7:30. I know our last concert was at 8:30. Again, Neal McCoy at 7:30, December 15.

But as we're getting into the holiday season, there will be your holiday parade. Your Christmas parade will be on Wednesday, November 29. It will be at 5:30, which will be plenty dark, as you can count with the time change. So again, invite your friends and family to come down on 11/29. I might also add in while you're enjoying the holiday season, there's a Nutcracker both Saturday and Sunday the 25th and 26th at Secrest Auditorium. I don't think there's anything that gets you in the mood for Christmas other than the Nutcracker.

So then again, once again, compliments to the Public Service Department. If you noticed there was the milling machine that was on the agenda that you passed. This is a great tool. We have a lot of people who'd like to have their alleys paved or some of the streets in certain areas. And the difficulty a lot of times comes in when you put another 1" – 1.5" of asphalt on. It completely disrupts the drainage and sometimes causes peoples' properties to hold water. So this will allow us to mill down the alley or the small street and then come back in with a treatment that will allow for drainage through the alley. So again, we're satisfying two things. I can remember very clearly we were doing some alleys up off of Jacobs, Wilmer, in that area. And the alleys look great, but the bottom line is they did create drainage issues. So, thank you, City Council, for passing that. And you might not remember last year, you guys authorized the purchase of a hot mix machine. I think we have two, don't we? Hot mix is how you fill potholes with hot mix instead of cold mix. So if you noticed through the course of last winter and this year, we really don't have the potholes you used to see that sometimes would actually slow traffic down to the speed limit. But in fact, it would make driving uncomfortable. So, just want to bring back to your attention the fact you authorized the purchase of a hot mix, we're using them, and they're very effective. So, thank you.

Mr. Vincent: Well, thank you, Mayor. Anything else from administration? I have a couple things I want to share, not to put people on the spot, but I'd like to acknowledge the people here with us this evening. And I didn't clear this first, and I hope you're okay with this. But I wanted to let you know that we have Karla Frye here this evening in the front row. You might want to say hello to her. She is Council-at-Large Elect. Then beside her is a face that's quite familiar and been coming to a lot of meetings here, John Taylor-Lehman, who is Council 4th Ward Elect. So they will be joining us then after the first of the year. We're glad you're both here.

And then something I didn't mention during the legislation. You probably see a very familiar face right behind them then. We have Sue Culbertson and her husband, Doug, are here this evening. With that, as I shared before, we've not had this Deputy Clerk of Council (On-Call) position before, and it's been much needed. It prevents people from taking vacations, except for when we have meetings where there's an extra week in between. And no coverage as far as illness or hospitalization or anything. So, with that, thanks to the Law Director, we put together a piece of legislation that you passed tonight. I appreciate that. With that, we have someone very experienced with the Clerk's

position that will be on-call and willing to help us out when there is a need. So, we appreciate you doing that. If you would, stick around after we adjourn. I'd like to go ahead and have the Mayor sign the legislation and the Law Director sign, since it's been amended, and then I'll sign and we'll get her sworn in tonight, if you would stick around for that. I think that would be very nice.

PRIVATE PETITIONS AND COMMUNICATIONS

Mr. Vincent: We have no private petitions this evening. Does Council have anything else?

Mr. Roberts moved to adjourn. It was seconded by Mrs. Osborn.

Mr. Vincent: All in favor of adjournment, signify by saying aye. Those opposed, nay.

A voice vote was taken with all being in favor of adjournment. None were opposed.

Mr. Vincent: Motion carries. We stand adjourned. Thank you everyone and have a good evening.

The meeting ended about 7:34 p.m.

Billie Corns
Clerk of Council

Daniel M. Vincent
President of Zanesville City Council

**AN ORDINANCE AUTHORIZING ADVERTISING FOR BIDS AND ENTERING INTO A CONTRACT TO
PURCHASE A SPECIAL RESPONSE TEAM VEHICLE FOR THE ZANESVILLE POLICE DEPARTMENT**

WHEREAS, the Zanesville Police Department would like to purchase an armored vehicle to continue to ensure the safety of the citizens of Zanesville and officers of the Police Department; and

WHEREAS, it has been estimated that the cost of an armored vehicle is less than \$275,000.00; and

WHEREAS, the Police Department has determined that the armored vehicle should have the specifications set forth on Exhibit A, attached to this Ordinance.

NOW, THEREFORE, BE IT ORDAINED, by the Council of the City of Zanesville, State of Ohio, that:

SECTION ONE: The City Safety Director is authorized to advertise for bids and enter into contract with the lowest and best bidder; as well as secure funding for the purchase of an armored vehicle described herein.

SECTION TWO: The cost shall not exceed \$275,000.00, and be taken from line-item number 820-1111-54448 and as needed from the FY 2023 budget.

SECTION THREE: This ordinance shall take effect and be in force from and after the earliest period allowed by law.

ORDINANCE NO. 2023-113
INTRODUCED BY COUNCIL

AN ORDINANCE AUTHORIZING THE PUBLIC SERVICE DIRECTOR TO APPLY FOR A \$21,100.00 GRANT, ADVERTISE FOR BIDS, AND ENTER INTO CONTRACTS FOR THE AIRPORT ENTRANCE ROAD RECONSTRUCTION PROJECT AND DECLARING AN EMERGENCY

WHEREAS, the Zanesville Municipal Airport is in need of improvements and those improvements will be accomplished through the **Rehabilitate Airport Entrance Road – Design and Construction** project. The Ohio Department of Transportation, Office of Aviation, is accepting applications for FY 2024 Airport Improvement Program Grants; and

WHEREAS, this Council desires to authorize the **City of Zanesville** to submit an application for funding and execute the grant contract and any related documents for the FY 2024 Grant Program.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Zanesville, State of Ohio, that:

SECTION ONE: The Service Director is hereby authorized to submit an application to the Ohio Department of Transportation in the amount of **\$21,100.00** for the **Rehabilitate Airport Entrance Road – Design and Construction** Project.

SECTION TWO: Once received, the Service Director shall execute the Grant contract and all related documents.

SECTION THREE: For the reasons stated above, this Ordinance is declared to be an emergency measure. Provided it receives the affirmative vote of six (6) or more members of City Council, this Ordinance shall take effect and be in force immediately upon its passage and approval of the Mayor. Otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

INTRODUCED BY COUNCIL**

**AN ORDINANCE AUTHORIZING THE PUBLIC SERVICE DIRECTOR TO
CONTRACT WITH SOUTHEASTERN EQUIPMENT COMPANY TO SUPPLY A
COLD MILL PLANER THROUGH THE SOURCEWELL COOPERATIVE
PURCHASING PROGRAM.**

WHEREAS, through Ordinance 2021-36, City Council authorized the City to continue to participate in Various Cooperative Purchasing Programs for equipment purchases; and

WHEREAS, the City's Storm Water and Street divisions need to improve drainage on streets and alleys; and

WHEREAS, the City staff has determined that a cold mill planer will adequately adjust impervious surfaces; and

WHEREAS, the City administration identified two brands Bomag and Wirtgen that provide the necessary appurtenances; and

WHEREAS, the Sourcewell Cooperative Purchasing Program provided competitive bidding for both Bomag and Wirtgen; and

WHEREAS, the Bomag cold mill planer was priced \$92,000 less.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Zanesville, State of Ohio, that:

SECTION 1: The Public Service Director is hereby authorized to contract with Southeastern Equipment Company Sourcewell Contract # 032119-BAI for the purchase of a cold mill planer.

SECTION 2: The cost for the Bomag cold mill planer is \$549,034.02 and will be purchased from line item 608-5462-53434 and 50% will be reimbursed by the Street department line item 202-6541-54448 in five (5) equal annual payments in 2024, 2025, 2026, 2027, and 2028.

SECTION 3: This Ordinance shall take effect upon the approval of the Mayor and after the earliest period allowed by law.

TERMS AND CONDITIONS OR PROPOSAL

ACCEPTANCE

1. This proposal shall become void unless returned to The McLean Company ("Seller") by Purchaser, with Purchaser's Approval, below, properly executed, within 30 days of the date hereof. A contract for the purchase by Purchaser and sale by Seller of the equipment and/or material described on the front side of this Proposal, upon the terms and conditions contained herein, shall be formed at such time as Purchaser's Approval and Seller's Approval, below, have been properly executed. All terms and conditions stated are a part of this proposal and any resulting sale is expressly conditioned upon the within terms and conditions and Seller agrees to furnish the equipment and material ordered only upon such terms and conditions. Any additional or different term or conditions submitted by Purchaser shall be deemed objected to by Seller and shall be of no effect nor in any circumstance binding upon Seller unless accepted by Seller in writing.

PRICES

2. Price quoted is F.O.B. _____
 3. The price quoted does not include applicable taxes. Any tax or other governmental charge upon the production, sale or shipment of the goods sold hereunder, now imposed or hereafter becoming effective during the term of this agreement, shall be added to the price herein provided, and shall be paid by the Purchaser to the Seller, unless Purchaser provides Seller with a tax exemption certificate acceptable to the appropriate taxing authority.
 4. Prices quoted shall not include crating and skidding for domestic shipment. Extra charge shall be made if preparation for sea shipment is required.

DEFERRED TERMS OF PAYMENT

5. Deferred terms of payment at Seller's option:
 Cash with order.....\$ _____
 And the further sum of.....\$ _____

Said further sum shall be payable in _____ equal successive monthly payments of \$ _____ each with interest from date of shipment at

the rate of _____ percent per annum until paid, together with exchange and collection charges at current rates. The above payments are to start

_____ and are to be made thereafter on the _____ day of each month until completed. Purchaser agrees to execute and deliver a cognovit note as evidence of the amounts of the deferred payments above stated, a financing statement, security agreement or chattel mortgage as required by Seller, for payment direct to it or through the _____ at the option of Seller.

DELIVERY

6. Seller shall not be liable for any failure to deliver hereunder where such failure has been occasioned by fire, embargo, strike, differences with workmen, act of God, government order or regulation, failure to secure materials from usual sources of supply or any circumstances beyond the Seller's control not hereinabove enumerated which shall prevent the Seller from making deliveries in the usual course of business. The Seller is not, however, relieved from making shipment or the Purchaser from accepting delivery at the agreed price when the causes interfering with deliveries shall have been removed.

7. (a) Although the Manufacturer may extend certain warranties, Seller makes no warranties, express or implied, with respect to the equipment except as contained within this Proposal. Purchaser understands and agrees that any IMPLIED WARRANTIES OF MERCHANTABILITY or IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, AND ALL OTHER WARRANTIES, express or implied, except for warranties, if any, given by the Manufacturer in writing, are EXPRESSLY EXCLUDED. Purchaser understands and agrees that its SOLE AND EXCLUSIVE REMEDY shall be as contained only in the express written warranties, if any, given by the Manufacturer.

(b) No agent, employee, or representative of the Seller has any authority to bind the Seller to any affirmation, representation or warranty concerning the items sold under the contract unless such affirmation, representation or warranty is specifically included within this proposal.

DAMAGES

8. The liability of the Seller with respect to this contract, or anything done in connection therewith such as performance or breach thereof, or from the manufacture, sale, delivery, resale, installation or use of any equipment covered by or furnished under this contract whether in contract in contract or tort, under any warranty, or otherwise, shall not, except as expressly provided herein, exceed the price of the equipment or part on which such liability is based. UNDER NO CIRCUMSTANCES SHALL SELLER BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES, EXPENSES, LOSSES OR DELAYS HOWSOEVER CAUSED.

EXCLUSIVITY

9. This contract constitutes the entire agreement of the parties hereto and may not be modified or changed except by an agreement in writing signed by the Seller. Further, this contract supersedes any prior agreements, proposals and sales literature or materials relating to the purchase and sale of the equipment and material herein.

CONSTRUCTION

10. This contract between Seller and Purchaser shall be governed by and construed in accordance with the laws of the State of Ohio.

11. No waiver of any breach of default under this contract shall be deemed a waiver of any subsequent breach or default of the same or different nature.

PRODUCT LIABILITY

12. Seller's products are designed with safety features consistent with the Job specifications and good safety practices by the user. Any special safety features required by Purchaser or local jurisdiction must be brought to Seller's attention prior to acceptance of this proposal, in which event Seller may in its discretion terminate his Proposal. The cost of such special safety features are not included within this proposal. Purchaser shall require employees to use all safety devices and guards supplied with the products, and shall not remove or modify such safety feature or warning signs. Purchaser agrees to notify Seller promptly, and in any event within 30 days, of any accident or malfunction which results in personal injury or damage to property, and agrees to cooperate fully with Seller in investigating and determining the cause of such accident or malfunction.

ASSIGNMENT-DELEGATION

13. No right or interest in this contract shall be assigned by either Purchaser or Seller without the written permission of the other party, and no delegation of any obligation owed, or of the performance of any obligation, by either Purchaser or Seller shall be made without the written permission of the other party. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

TIME FOR BRINGING ACTION

14. Any action for breach of this contract must be commenced within one (1) year after the cause of action has accrued.

PURCHASE MONEY SECURITY AGREEMENT

15. Seller and Purchaser agree that Seller hereby retains a purchase money security interest (as that term is defined in Chapter 1309, Ohio Revised Code) in the goods which are the subject of this proposal to secure the payment of any sums owing hereunder or under the terms of any other instrument given by Purchaser in connection with this purchase transaction. Purchaser shall not attach or affix said goods to real estate unless Seller consents in writing prior to such attachment or affixation. If Purchaser fails to pay any amount owed in the manner or at the time provided for this Proposal or in any other related instruments or otherwise breaches any agreement contained in this Security Agreement, Purchaser shall be in default hereunder, and Seller may, at its option take any action authorized by Chapter 1309, Ohio Revised Code, including, but not limited to: (a) requiring Purchaser to make goods available for repossession by Seller; (b) taking possession of the good without judicial process; (c) repairing, renovating or otherwise preparing the goods for future sale, lease or other disposition; and (d) selling, leasing or otherwise disposing of the goods. Purchaser further agrees to execute such financing statements or other documents as Seller may deem necessary to perfect the security interest retained herein and to maintain such perfection.
